RE: Monsanto Company - J. F. Queeny Plant
RCRA Part B Permit
EPA Identification Number MOD 004 954 111

Dear Mr. Shorr:

The closure plan as detailed in Section XIII of the above referenced permit issued to Monsanto Company for its John F. Queeny Plant on November 8, 1989 has been completed for the hazardous waste storage area. Enclosed herewith is the independent professional engineer's report certifying this closure. It is important to note that none of the characteristic constituents listed in 40 CFR 261.24 were detected in the final rinsewater samples.

If there are any questions or need for additional information, please contact Mr. Christopher G. Dorow, Environmental Supervisor at [314] 622-1473.

Sincerely,

Stephen J. Henderson
Plant Manager
